

Hello, dear friends of our family and our Mission,

Here, at last, is **our news for the end of 2024**. How time has gone by !

We want to keep you informed of our **activities**, of our **thanks and praise to the Lord** and of the **needs** that are on our path every day.

We bring you news of our assistance in Ukraine - the Canada Post strike has prevented us this year from sending personal notes or cards, but ***we want to THANK YOU wholeheartedly for the help you have given.***

May **this Christmas** before us, and **this holiday season around the coming and birth of the Son of God into the world**, be a time full of joy, peace, and reflection - so that everyone may draw closer to the Lord in these times which, it seems to us, are calling us to be ready for the return of the Lord Jesus!

MERRY CHRISTMAS to ALL!

At His service, so that the Lord's disciples may multiply among the nations,

Pierre & Hanna Jutras
